## About Us

ZAF ENTERPRISES An ISO 9001 : 2015 Certified Company has been established in 2006 as a Hygiene company with our brands LOTUS SOFT & ZAF in Mumbai and parts of India. Our company is one of the reliable Importer & Exporter of a vast range of Washroom Hygiene Products. Our offerings include Automatic Hand Dryer, Shoe Shining Machine, Air Curtain, PVC Strip Curtain Automatic Air Freshener, Aerosol Refill, Automatic & Manual Soap Dispensers, Tissue Paper Dispensers, Tissue Paper Products, Urinal Screen, Automatic Sensor Taps, Automatic Shoe Cover Dispenser, Recess Panel, Wet Towel Dispensers, Wet Tissue Dust & Feminine Bins, Fly Catcher & Insect Killer, Hair & Body Dryer, Concave Mirror and many more. Our range of products is fine in quality as they are developed under very hygienic conditions by using premium grade raw materials. They have earned huge accolades from our valued clients based in both local and international markets. Supported by qualified technicians, we have been able to deliver products in the stipulated time period.

We also provide customization options to our clients to meet their varied requirement and that too at competitive prices. This has enabled us in establishing a cordial relationship with our existing and prospective clients. We have been able to scale new heights of success in this competitive market under the supervisory leadership of our director Mr. Farhan Patel. He has taught us how to survive the competition in this industry. It is because of his management skills and leadership that we have been able to gain such a reputable position in the market.

#### **Company Strategy**

- **Purpose** To be a leader in the Hygiene industry by providing enhanced services, relationship and profitability.
- **Vision** To provide quality services that exceeds the expectations of our esteemed customers.
- Mission statement to build long term relationships with our customers and clients and provide exceptional customer services by pursuing business through innovation and advanced technology.
- Core values We believe in treating our customers with respect and faith. We grow through creativity, invention and innovation. We integrate honesty, integrity and business ethics into all aspects of our business functioning.
- Goals Expansion in the field of Hygiene Industry and develop a strong base of key customers. Enhance the environment of the company and to support the development of services. To build good reputation in the field of Washroom Hygiene and become a key player in the industry.

### **Air Curtains**

## Horizontal (Air-In Centrifugal Type)

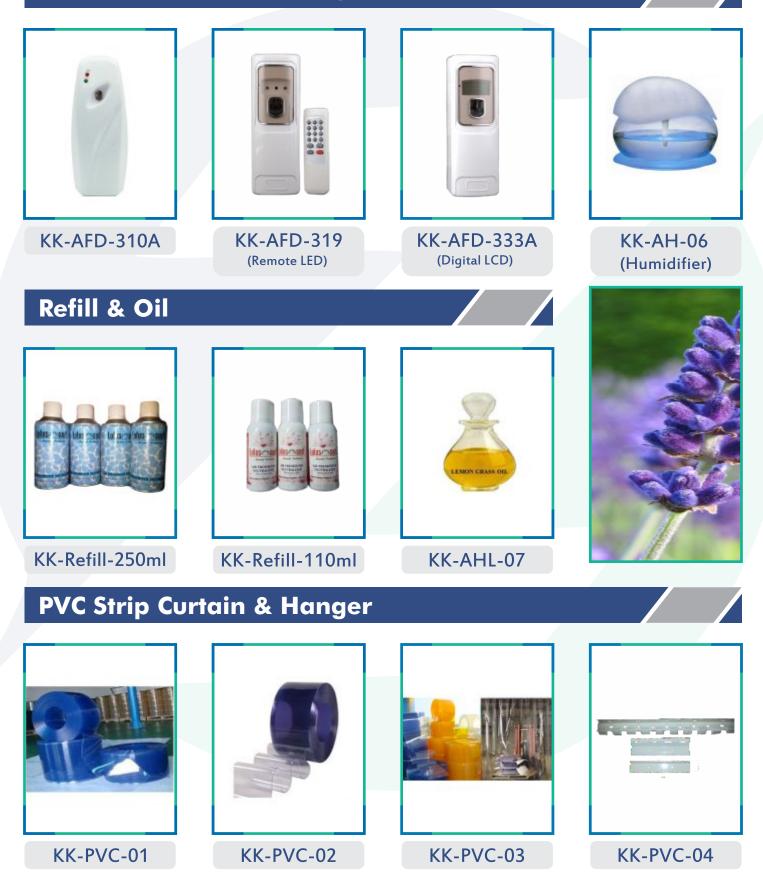

- The most Sleekest Air Curtain in the World.
- All Metallic Casing- High in fire resistance, compact in over- all construction, convenient in installation easy for cleaning & maintenance.
- Single Switch Button to control the High / Low Speed that can meet the need of various environments & door heights.
- Reliable designed motor that can run 5000 hours continuously.
- Multiple Installation Specifications Body dimensions of 3/4/5/6 Feet.
- Variable installation heights 8-12 Feet
- Centrifugal Type Forward- Bending blade wheel construction, fitted with efficient volute design, rendering the capacity of the curtain for the best result. This type of wheel is high efficient, less noisy, with large air volume (maximum air speed reaching 22m/s).
- Over Heating Protection- When motors temperature goes over the temperature (145c) the power supply will be automatically cut off and when the motors temperature decline (below 145c) it will start running automatically.
- 900 mm Air Curtain: 2 Motors 0.72 HP / 3 Blowers.
- 1200 mm Air Curtain: 2 Motors 0.98 HP/ 4 Blowers.
- 1500 mm Air Curtain: 3 Motors 1.21 HP/ 5 Blowers.
- 1800 mm Air Curtain: 3 Motors 1.47 HP / 6 Blowers
